We were so ecstatic when we finally got our rottweiler pup "Emmitt" from the US about seven months ago. We quickly realized that we had a task on our hand regarding obedience training, especially when it came to him safely playing with our two little girls.

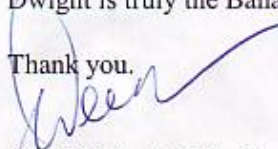

Mr. Higgins was highly recommended to us by a friend and it has been the best thing that we did for our family and our dog. Dwight was informative, patient, and personable. It is evident that he has a great love for dogs.

His lessons were enlightening for both us and Emmitt. He showed us how to nurture and treat Emmitt like we would a child and it worked. We saw the changes in Emmitt immediately! The training was so good that Emmitt looked forward to seeing Dwight every morning!

We are quite pleased with the training by Mr. Higgins. Emmitt is more controllable, listens to commands and is such a pleasure to have around. As for our daughters, they consider Emmitt just another member of the family.

Dwight is truly the Bahamian "Dog Whisperer".

Thank you.
